THE GENERAL

1965-1966

WINFIELD HIGH SCHOOL

WINFIELD, WEST VIRGINIA

FOREWORD

Virgie Payne

In a short time The General will lose its immediate appeal. In a short time, too, it will serve as some adult's key to reminiscence. Since remembrance is a yearbook's purpose, we are not without hope that this little volume may serve some good, and that it will in the future bring back these days in Winfield High School which are so dear to us.

DEDICATION

It is an honor to pay tribute to one who has become such a genuine part of Winfield High School. His earnest endeavor, undying loyalty, never-ending patience, and hard work have helped to direct our aims, attitudes, and purposes in life. Because of these and other reasons, we are happy to dedicate the 1966 GENERAL to Mr. John C. Rumbaugh.

A MESSAGE TO THE SENIORS

We are now living at a time when the word CHANGE means almost the same as FAST. Everything seems to be accelerated to record-breaking speeds. No longer can anyone lay claim to having a monopoly in any singular accomplishment. The universe has become man's laboratory. Man is now able to look beyond horizons with unlimited boundaries. Modern academic studies are being geared by mankind to keep abreast of all new technological changes.

I trust that every member of the class of 1966 may have acquired some essential skills to become better adjusted to live in our present and future ages. May your education and training enable you not only to live better in this fast-changing society, but also to contribute something to the welfare and happiness of others.

Best wishes for your future, and may your star shine brightly throughout life.

W. S. Rosenik

We, the Class of 1966, are very proud of our achievements during the four years at Winfield High. In addition to the many scholastic honors which came our way, we won the homecoming float competition each year, and established an athletic scoreboard fund. We presented junior and senior class plays, and "Tender Is The Night" for the seniors of 1965 was what everyone knew the best prom ever!

Norris Alford
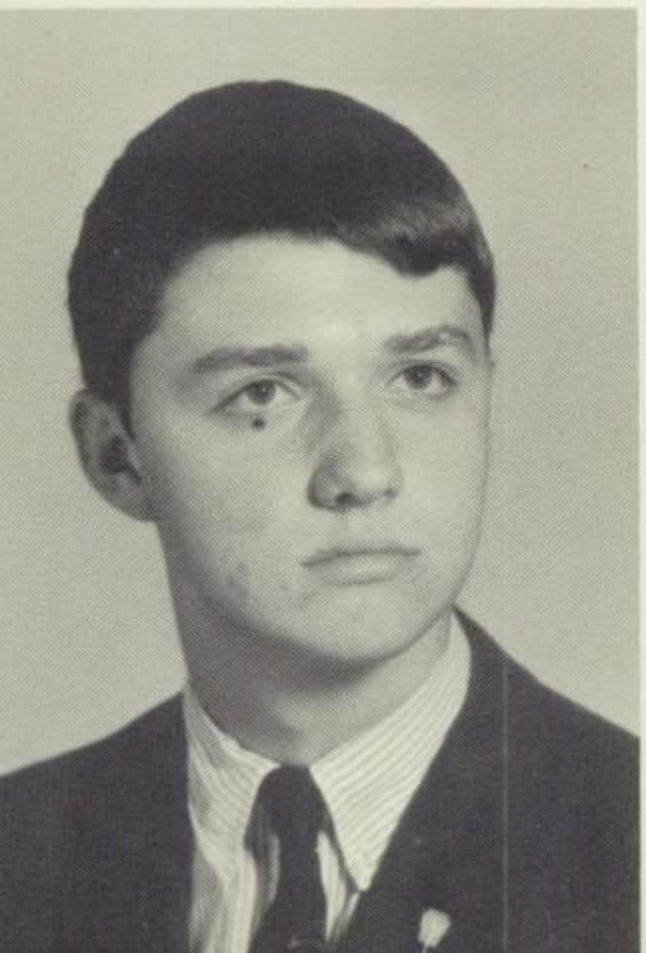
President



The Student Council has been very active this year under the leadership of President Norris Alford. With money earned from sales of its famous popcorn, the Student Council donated two rows of bleachers, bought a light for the front walk, and sponsored a semi-formal Christmas dance. They also donated over a hundred dollars to the Scoreboard Fund started by the class of '66. The organization consists of the president and an elected representative from each class. Student Council officers are elected after a campaign assembly by the WHS student body.
